Building the survey

In the library

1. Click "Add materials" and choose Survey.
2. Set an internal name and click "Add & Build Survey".

In the course builder

1. Click on the plus sign and choose "Survey".
2. Name the quiz and click "Add & Build Survey".

Editing the survey

1. Set a page title and an (optional) description.
2. Set a section title and (optional) description.

The screenshot shows a survey editor interface. At the top right, there are buttons for 'Save automatically' (with a checkbox), 'Preview', and 'Save'. Below these are tabs for 'Intro', 'My survey', and 'Settings'. On the left sidebar, there are buttons for 'Intro', '1' (selected), '+ Page', and 'Outro'. The main content area is titled 'Page' and contains a text box for 'Preboarding evaluation' with the text: 'This evaluation contains five questions about how you have experienced your preboarding course. We are very grateful that you take the time to share your thoughts and reflections!'. Below this is a 'Section 1' section. It has a 'Part 1' text box and an 'Optional description' text box. Under 'Section 1' is 'Question 1'. It has a title 'Question 1', a 'Single answer' dropdown, and an 'Optional' toggle. The question text is 'Have you taken a digital preboarding course before?'. Below the question text are three choices: 'Yes', 'No', and 'I don't know'. There is a '+ Add an answer' link. The interface also includes a 'Randomize questions' toggle and a 'Share' icon.

1. Write your question in the “Question title” box
2. Choose your question type: “Single answer” if the participant should choose only 1 answer, “Multiple answer” if they should choose several, “Single row text input” if they should write a short answer, and “Multi row text input” if they should write a long answer.
