

Team view

Ester Andersson - 2024-07-23 - Functions

With Team View, the team manager has more responsibility and easier access to information about the team and its learning progress. They also get permission to view specific users' course statuses more in-depth.

Introduction

1. Enter Team View

To enter the team view portal, log in as a learner. If you are a team manager, you will see the “Team” tab where you can choose your team.

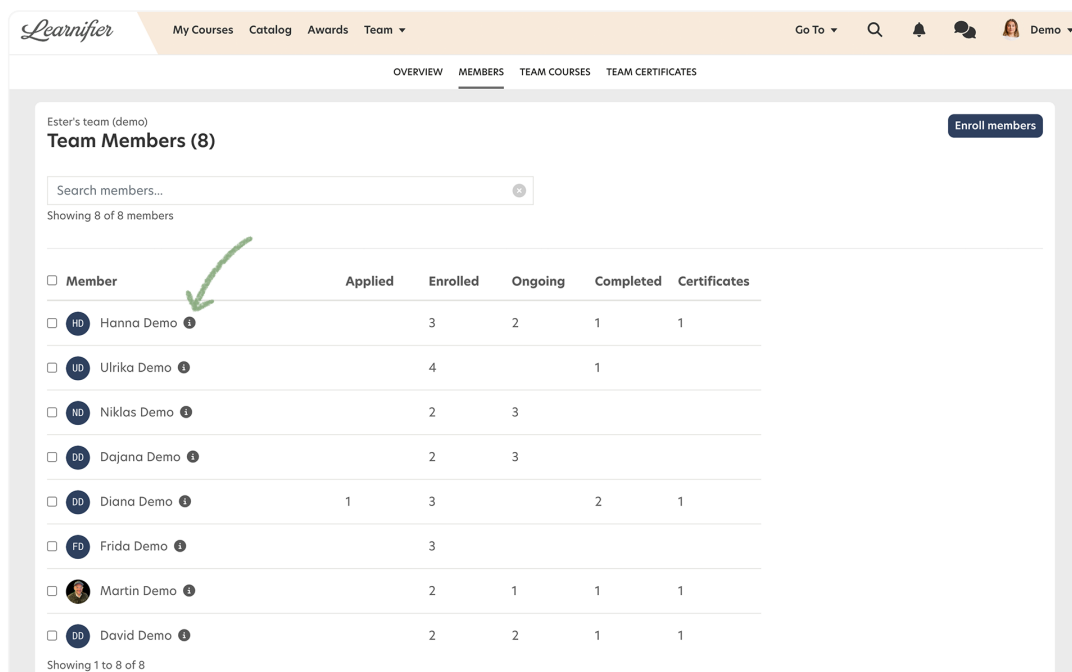

1. The “Overview” tab

On the overview tab, you will get an overall overview of how it's going for your team members. For example, under "Courses" you will see how many have applied, enrolled, and completed specific courses. Under "Approvals", you can deny or enroll members' course applications.

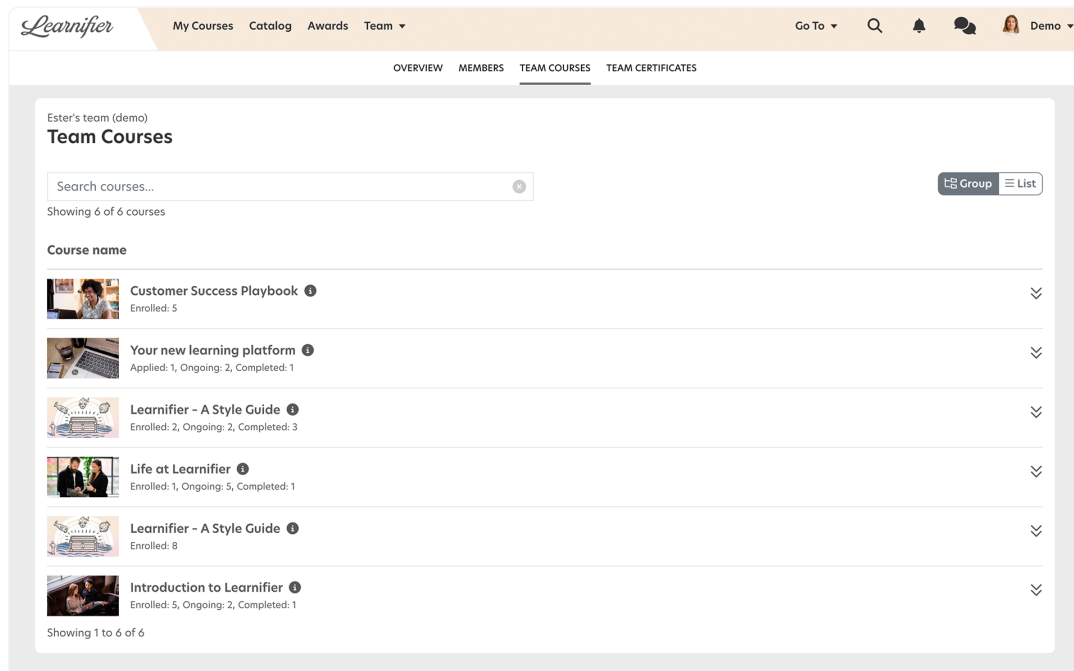

1. The "Members" tab

Under the "Members" tab, you can access more information about a member's learning progress by clicking on the "I" button.

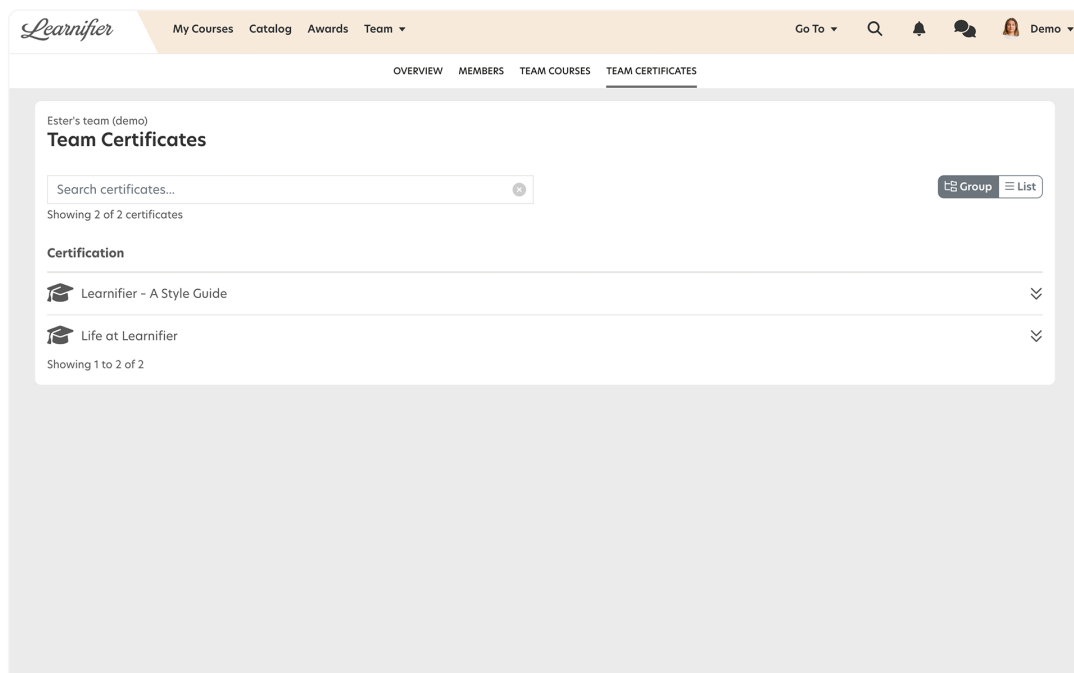

1. The "Team courses" tab

Under the “Team courses” tab, you will find all courses your members are enrolled in.

1. The “Team certificates” tab

Under the “Team certificates” tab, you will find all certificates your members have.

How does a team manager enroll members in courses?

1. In order for a team manager to enroll members in a course, the administrator must first make sure the course is managed by Team View.

1. Go to the project from the administrator interface
 2. Under the "Settings" tab, check the box "Managed by team".
2. To enroll a member in a course, go to the "Members" tab.

Cancel Continue

1. Under "Add members to enrollment," choose the members you want to register and click "Continue"

The screenshot shows a web interface for enrolling team members into a course. At the top, the 'Learnifer' logo is on the left, and navigation links for 'My Courses', 'Catalog', 'Awards', and 'Team' are in the center. On the right, there are icons for 'Go To', search, notifications, chat, and a user profile labeled 'Demo'. Below the navigation is a breadcrumb trail: 'OVERVIEW MEMBERS TEAM COURSES TEAM CERTIFICATES'. The main dialog is titled 'Enroll team members to course' and has a close button (X). It shows the course 'Sustainability' with a small image. The 'Add members to enrollment' section has a search bar 'Search members...' and 'Showing 8 of 8 users'. A list of members is shown: Hanna Demo, Ulrika Demo, Niklas Demo, Dojana Demo, Diana Demo, Frida Demo, Martin Demo, and David Demo. To the right, 'Enrolling members (1)' shows 'Hanna Demo' with a trash icon. At the bottom right are 'Cancel' and 'Continue' buttons.

1. Confirm your registrations by clicking on "Enroll".

The screenshot shows the 'Enrollment confirmation' dialog. It features the 'Learnifer' logo and navigation links at the top. The breadcrumb trail is 'OVERVIEW MEMBERS TEAM COURSES TEAM CERTIFICATES'. The dialog title is 'Enrollment confirmation'. It shows the course 'Sustainability' with a larger image of a person at a computer and an 'Edit' button. The 'Enrolling members (1)' section lists 'Hanna Demo' with an 'Edit' button. At the bottom right are 'Cancel' and 'Enroll' buttons.

How to send course applications to the team manager?

1. In order for a team manager to enroll members in a course, the administrator must first make sure the course is managed by Team View.
 1. Go to the project from the administrator interface.
 2. Under the "Settings" tab, check the box "Managed by team".
2. Go to the Catalog builder and enter the course settings.
3. Under "Enrollment", choose "Moderated".
4. Under "Visibility", choose "Active".

Tip: Would you like the team manager to receive a notification when one of their members has applied for a course?

1. Create an automated communication with the following trigger (with "Team manager" as audience)
 1. "Participant" → "Status" → "Is not activated" and "Participant" → "Source" → "Is Course catalog".

Tip: Would you like the team member to receive a notification when their request has been accepted?

1. Create an automated communication with the following trigger (with "Participant" as the audience)
 1. "Participant" → "Status" → "Is activated" and "Participant" → "Source" → "Is Course catalog".
