Keep valuable statistics – Even for unenrolled participants!

2025-01-09 - Gabriella Eriksson - Product Highlight

You can now choose whether unenrolled participants should remain on the participant list or not. Participants who unenroll will be highlighted in red on the list and assigned the status **"Unenrolled",** making it simple to distinguish them from active participants.

Keeping these participants in the list allows you to collect important data and gain a comprehensive overview of your courses. This helps you optimize your course offerings and focus on the right initiatives.

Prefer not to keep statistics? You can easily remove participants manually from the list or filter them out in reports.

With this flexible approach, you have full control over your course statistics and reporting!
