Learnifier has joined forces with Cimple!

2024-04-02 - Ester Andersson - Product Highlight

Learnifier is proud to present our partnership with the Norwegian e-learning powerhouse Cimple. Besides their impressive end-to-end e-learning production expertise, we are happy to announce that their unique off-the-shelf Project Management Academy offering is now available within the Learnifier learning platform free of charge. The combination of bespoke production services and attractive ready-made courses accessible directly in Learnifier will bring even more value to our customers. Simply Cimple!

Would you like to access Cimple's Project Management Academy in your learning platform? Just let us know at support@learnifier.com!
