Release Feb 5, 2024

2024-02-05 - Ester Andersson - Release notes

Learner:

- Resolved the user display name update issue for WinLas and AlexisHR.
- Implemented a fix for resurrecting AlexisHR users.
- Introduced NextGen UI for internal release with initial functionality for Learnifier's internal use (hidden behind a feature flag).
- Corrected a typo in the Finnish language.

Administration:

- Fixed the issue of sending admin registration emails twice.

Other:

- No documented changes or updates at this time.
