Ester Andersson - 2024-07-29 - Funksjoner

For å gjøre en aktivitet frivillig, gå inn i kursbyggeren og klikk på "Optional" i det øvre høyre hjørnet.

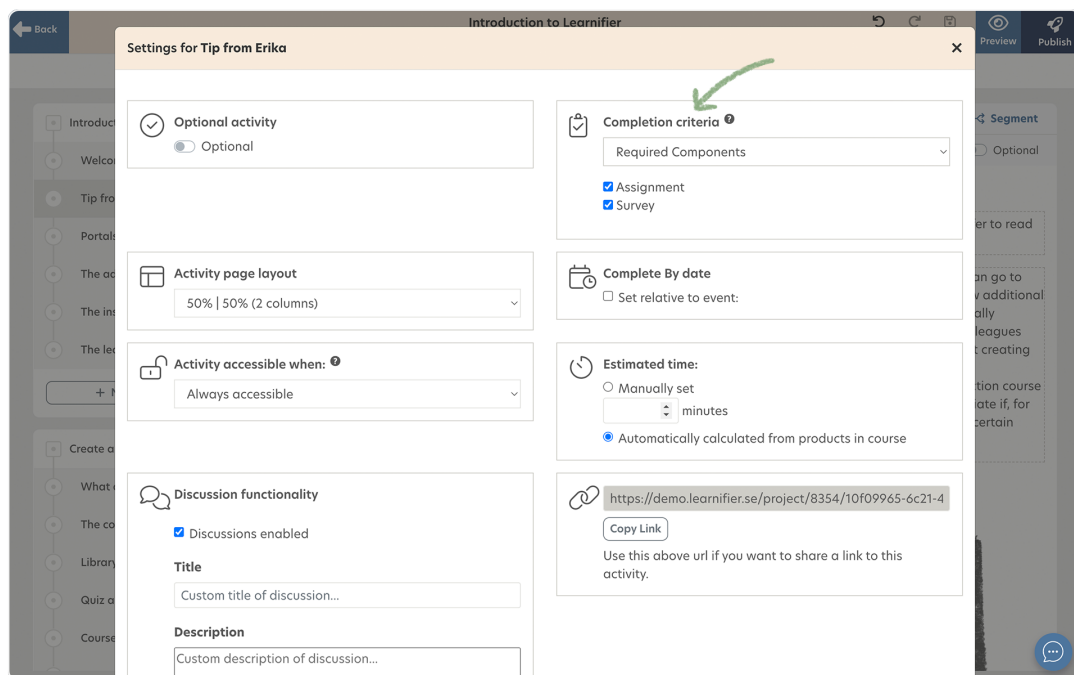

The screenshot shows the 'Introduction to Learnifier' course builder interface. The top navigation bar includes 'Back', 'Intro', 'Activities', 'Resources', and 'Settings'. The 'Settings' tab is active, showing a 'Segment' header and a '50% | 50%' progress indicator. A green arrow points to the 'Optional' toggle switch, which is currently turned on. The main content area displays a 'Tip from Erika' activity with a list of bullet points and a magnifying glass illustration. The left sidebar shows a tree view of the course structure, including 'Introduction', 'Welcome!', 'Tip from Erika', 'Portals and roles', 'The admin portal', 'The instructor portal', and 'The learner portal'. Below this is a 'Create and administrate' section with options like 'What does a course consist of?', 'The course builder', 'Library', 'Quiz and survey builder', and 'Course templates'.

Hvis du vil gjøre spesifikke komponenter i en aktivitet frivillige, gå til aktivitetens innstillinger.

Under "Completion criteria", velg "Required components" og spesifiser hvilke komponenter som er påkrevd.
