Adding your first project

Ester Andersson - 2024-07-03 - Getting started

1. On the home page, click on "Add project" at the top of the page.

1. Select your course design. Create a project from scratch by choosing "New Course" or use one of the templates if you wish to get a head start.

1. Click on "Save".
2. All done!

Note: there are of course other ways you can create projects, such as via a [template](#) or by making a [copy](#) of another project.
