The screenshot shows the Learnifier interface for a course titled 'Customer Success Playbook'. The page is divided into several sections:

- Header:** Includes the Learnifier logo and navigation tabs: Dashboard, Projects, Users, Library, Reports, Automations, Settings.
- Course Overview:** Displays the course title (ADMIN) and learner title (LEARNER) as 'Customer Success Playbook'. It also shows the creator (Demo Ester) and the update date (onsdag 16 augusti 2023).
- Actions:** A row of buttons: Edit course, Preview, Delete, and Copy. The 'Copy' button is highlighted with a green circle.
- Participants:** A section titled '2 participants' with a status of 'Ongoing'. It features three circular progress indicators: '2' Not Started, '2' On Track, and '0' Completed. Below these are status counts: 0 Not Started, 2 In Progress, 0 Completed, 2 On Track, 0 Overdue, 0 Not Invited, 0 Bounce Backs, and 0 Project Errors.
- Awards:** A section titled 'Awards' with an 'Attach' button. It states: 'Learners will automatically receive the attached award(s) after completing the course.' Below is a table with columns: NAME, EXPIRES, and TYPE. The table contains one row: 'Introduction to Learnifier', '6 months', and 'Certificate'.
- Next Course:** A section titled 'Next Course' with the text: 'Automatically enroll Learners that have completed this Course to the following Next Course:'. Below is an 'Add Next Course' button.
- Discussions:** A section titled 'Discussions' with the text 'Dela dina tankar'.

1. Remember: if you have the course catalog turned on, the copy will automatically be connected to the original course and if both courses are live in the catalog, they will be displayed in the same collection.
