## Move participants between projects

Ester Andersson - 2024-07-22 - Functions

1. Go to the project in which you wish to move a participant.
2. Go to the tab "Participants" and find the participant you wish to move.
3. Click on "Actions" next to the participant and choose "Move".

1. Choose the project you want to move the course participant to.

Move 1 participation

Demo Ester (ester.andersson+demo@learnifier.com)

Can be moved. The projects are 0% similar.

The learner will no longer have access to the following products since they are not used in the selected project.

Any associated progress and information about the following products will be removed. It will NOT be possible to recover that information afterwards.
