Participants' progress

Ester Andersson - 2024-07-15 - [Getting started](#)

There are several ways to check up on participants' progress, and in this article, you'll learn all of them!

Note

- [On the "Overview" tab](#)
- [On the "Participants" tab](#)
- [In a report](#)

On the "Overview" tab

On the "Overview" tab in the project menu, you will find the following information about the participants' progress:

- The number of participants who have started the course and are "In progress".
- The number of participants who have completed the course.
- The number of participants who are "On track" and "Overdue".
- The number of participants who are not yet invited.
- The number of participants whose invitations bounced back.
- The number of project errors.

The screenshot displays the Learnifier dashboard for a course titled "Introduction to Learnifier". The interface includes a top navigation bar with options like Dashboard, Projects, Users, Library, Reports, Automations, and Settings. Below this, a secondary navigation bar lists tabs: OVERVIEW, PARTICIPANTS, WAITLIST, COURSE PAGE, EVENTS, ASSIGNMENTS, DETAILS, COMMUNICATIONS, REPORTS, and SETTINGS. The main content area shows the course title, a star icon, and a "Project Title (Admin)" field. It also displays the course title for learners, creation and update dates by "Demo Ester", and buttons for "Edit course", "Preview", "Delete", and "Copy". A section titled "8 participants" shows a progress bar with 8 participants, a status of "Ongoing", and a breakdown of participant status: 5 Not Started, 2 In Progress, 1 Completed, 8 On Track, 0 Overdue, 0 Not Invited, 0 Bounce Backs, and 0 Project Errors. There are also sections for "Awards", "Next Course", "Discussions", and "Project Team".

On the “Participants” tab

Would you like more detailed information on a participant's progress?

1. Go to the "Participants" tab
2. You will find a progress percentage bar to the right of the participants’ names. If you click on the plus sign to the left of their names, you will find more details about the participant's progress, such as which modules and activities they completed and when this was completed. If you click on "**Show details**" you will even see which components in a specific activity they have completed.
