Post on Wall

Ester Andersson - 2024-02-15 - Functions

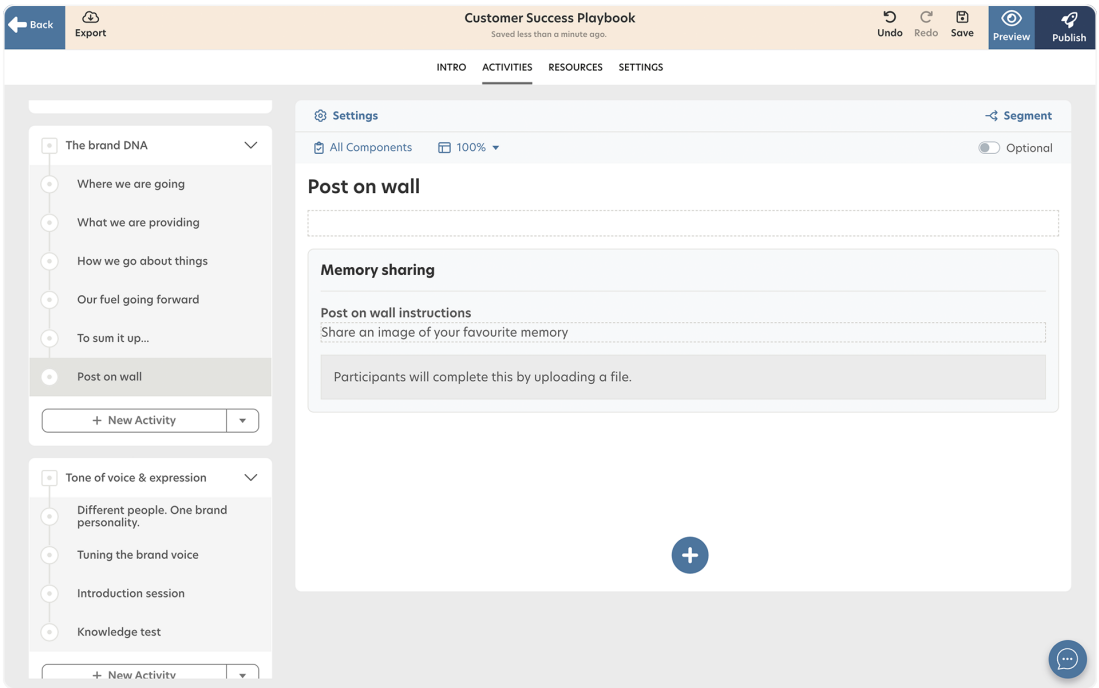

With Post on Wall, participants can share texts, videos, or other material (only files, not direct text responses) with all other participants. Everything on the wall will be available for preview and download for everyone in the course.

1. Go to the course builder

2. Click on the plus sign and choose “Post on Wall”

1. Set an an engaging title and description so that your participants are excited to share their materials!
