## Final Launch of the New Learner Experience - Tomorrow!

2025-03-09 - Gabriella Eriksson - Product Highlight

Tomorrow, March 11, is the day we will fully transition to the new learner experience!

### What is going to happen?

Well, nothing! Everything will work as usual. It's just going to be much better.

### Here's a summary of all the great improvements that come with the new interface:

- ✓ **Modern Layout and Navigation** - An intuitive design with simplified navigation for a smoother and more enjoyable experience.
- ✓ **Improved Accessibility** - Designed to be more inclusive and compliant with Web Content Accessibility Guidelines (WCAG).
- ✓ **Clearer Course Information and Completion Pages** - A more accessible course information page and an improved course completion page for better visibility of progress and achievements.
- ✓ **Optimized Course View** - A cleaner, more focused layout that makes it easier to navigate and engage with course content.
- ✓ **Streamlined Learning Flow** - A collapsible step progress and more intuitive placement of resources make it easier to move through the course.
- ✓ **More Visible Achievements and Rewards** - Now displayed both on the course completion page and in settings.
- ✓ **Enhanced Discussions and Notifications** - Smoother interactions and clearer communication.
- ✓ **Upgraded Header** - An improved top menu where user settings and achievements are easier to access.
