2024-01-22 - Ester Andersson - Product Highlight

You can now subscribe to our release notes to get notified as soon as we have made updates to our product. We will divide updates into adjustments that affect the learner interface, the admin interface, and others (which affect neither the learner nor the admin interface). Go to https://support.learnifier.com/en-US/news/release-notes and click “Subscribe” and choose “Category”.
