"Intro"-fane

På fanen for introduksjon kan du angi et eksternt prosjektnavn (synlig for deltakere) samt en beskrivelse av kurset. For å endre det interne arbeidsnavnet for prosjektet, klikk bare på tittelen på fanen "Overview".

"Activites"-fane

Endre navn på allerede opprettede moduler ved å klikke på de tre punktene → "Rename". Legg til en aktivitet ved å klikke på plusstegnet og legg til hvilket innhold du enn velger.

“Resources”-fane

På fane "Resources" kan du legge til innhold du vil bruke som referansemateriale eller materiale som du tror kan være interessant for deltakerne. Du kan sette opp automatisering for når ressursen skal være tilgjengelig for deltakeren, og også merke ressursen slik at den kan filtreres bort i søk.

Course Catalog

A good course image is critical in helping the learner quickly understand what the course is about. It also helps the learner navigate to the correct course when picking from a list of courses.

Course Image

A good course image should grab the attention of the viewer and help them understand the essence of what the course has to offer. The image will be shown in the course catalog and on the My Courses page. Use a .gif, .jpg, .jpeg, or .png file.

The screenshot shows the 'Introduction to Learnifler' interface. At the top, there is a navigation bar with 'Back', 'Undo', 'Redo', 'Save', 'Preview', and 'Publish' buttons. Below this is a menu with 'INTRO', 'ACTIVITIES', 'RESOURCES', and 'SETTINGS'. The 'Settings' page is active, showing 'All Components' and a progress indicator '66% | 33%'. A green arrow points to the 'Segment' button in the top right corner. The main content area is titled 'The instructor portal' and contains a preview of the portal's content. The preview shows a 'By Course' section with a filter set to 'All' and a list item 'Customer Success Playbook' with 'Learn & Experience' below it. To the right of the preview, there is a text block: 'Those who have the role of instructor have the opportunity to follow up on participants' progress, see and respond to comments, assess tasks, etc. An instructor only has access to the course that has been assigned. Contact support@learnifler.com if you want to know more about exactly what qualifications a default instructor has.' On the left side, there is a sidebar with a tree view of activities. The 'Introduction' section is expanded, showing 'Welcome!', 'Tip from Erika', 'Portals and roles', 'The admin portal', 'The instructor portal' (which is highlighted), and 'The learner portal'. Below this is a '+ New Activity' button. The 'Create and administrate' section is also expanded, showing 'What does a course consist of?', 'The course builder', 'Library', 'Quiz and survey builder', and 'Course templates'. A blue circular button with three dots is located in the bottom right corner of the interface.
