

Legge til og fjerne "Project team members"

Ester Andersson - 2024-02-16 - Roller

"Project team members" kan inviteres til Learnifier for å se, men ikke redigere, prosjekter eller brukerdetaljer. Denne typen rolle er nyttig når du vil invitere en konsulent eller lærer til Learnifier-plattformen for å delta, se fremgang eller kommentere noen onlineaktiviteter på Learnifier-plattformen.

Legge til instruktører

1. Gå til prosjektet der du vil invitere en instruktør og klikk på "Add Team Member" under "Project Team".

The screenshot displays the Learnifier user interface for a project. The top navigation bar includes 'Dashboard', 'Projects', 'Users', 'Library', 'Reports', 'Automations', and 'Settings'. The main content area is divided into several sections:

- Participants:** Shows '1 participants' with a status of 'Ongoing'. It features three circular progress indicators: '1' in orange (Not Started), '1' in green (On Track), and a green checkmark (Completed). A legend below lists various statuses: Not Started, In Progress, Completed, On Track, Overdue, Not Invited, Bounce Backs, and Project Errors.
- Awards:** Includes an 'Attach' button and a table of awards. The table has columns for NAME, EXPIRES, and TYPE. One award is listed: 'Introduction to Learnifier' with an expiration of '6 months' and a type of 'Certificate'.
- Next Course:** A section for automatically enrolling learners who have completed the current course into the next one, with an 'Add Next Course' button.
- Project Team:** This section is highlighted with a green arrow. It states 'There are no team members in this project' and features a prominent 'Add Team Member' button.
- Announcements:** A section for sharing thoughts, currently empty.

At the bottom of the page, there is a note: 'Be the first to post a comment in this discussion.'
