

Re-enrollment

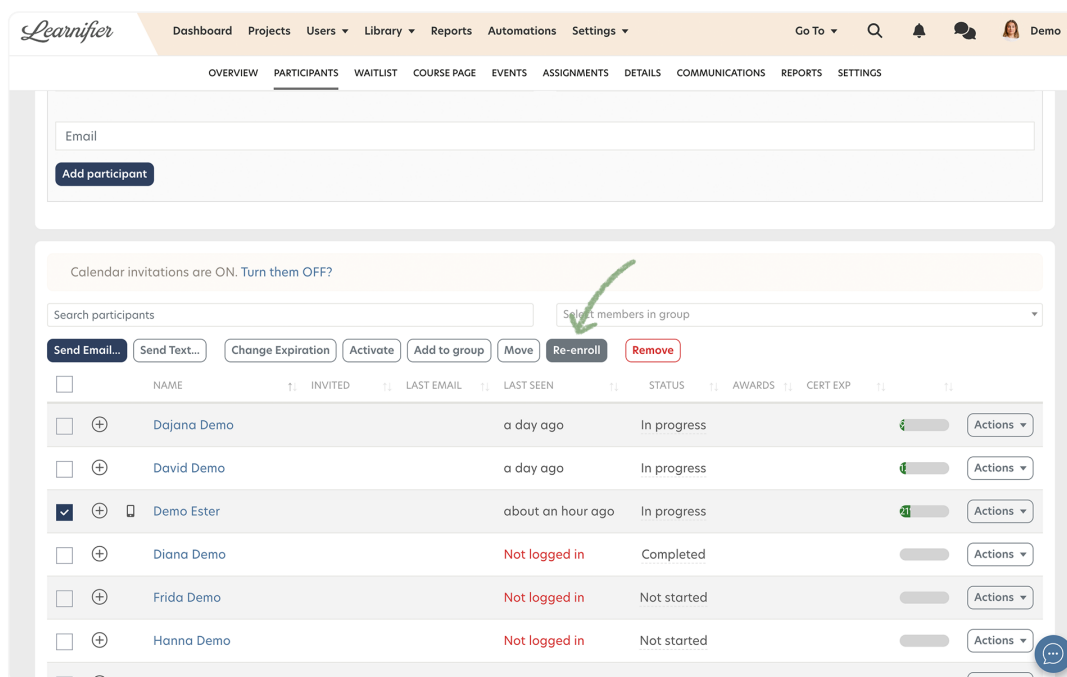

Ester Andersson - 2024-07-11 - Funksjoner

"Re-enrollment" er en funksjon som lar deg tilbakestille en deltakers fremgang slik at de kan begynne på nytt. Vær vennlig å nøye vurdere dette når du gjeninnmelder en deltaker i et kurs, for alt de har lastet opp vil bli slettet, og statusen deres vil endres til "Not started". Når du bekrefter, vil forsøket deres bli flyttet til forsøkshistorikken deres, som vil vises når du trykker på plusstegnet og deretter "History".

Tilgjengelig fra prisplanen: Professional

"Re-enrollment" i "Participant" -listen:

1. Gå til fanen "Participants" i et prosjekt.
2. Velg deltakeren/deltakerne du ønsker å melde på, og klikk på knappen "Re-enroll".

The screenshot shows the Learnifier interface with the 'Participants' tab selected. At the top, there is a navigation bar with 'Dashboard', 'Projects', 'Users', 'Library', 'Reports', 'Automations', and 'Settings'. Below this is a sub-navigation bar with 'OVERVIEW', 'PARTICIPANTS', 'WAITLIST', 'COURSE PAGE', 'EVENTS', 'ASSIGNMENTS', 'DETAILS', 'COMMUNICATIONS', 'REPORTS', and 'SETTINGS'. The main content area has a search bar for participants and a 'Send Email...' button. Below that, there is a table of participants with columns for NAME, INVITED, LAST EMAIL, LAST SEEN, STATUS, AWARDS, and CERT EXP. The 'Re-enroll' button is highlighted with a green checkmark. The table shows several participants, including 'Dajana Demo', 'David Demo', 'Demo Ester', 'Diana Demo', 'Frida Demo', and 'Hanna Demo'. The 'Demo Ester' row is selected, and the 'Re-enroll' button is visible in the 'Actions' column.

"Re-enrollment" fra brukerprofilen:

1. Gå til en brukerprofil, og scroll ned til "Participations".
2. Klikk på "Re-enroll" på kurset du ønsker å "re-enrolla" deltakeren i.
