Sosiale funksjoner

Ester Andersson - 2024-07-29 - Funksjoner

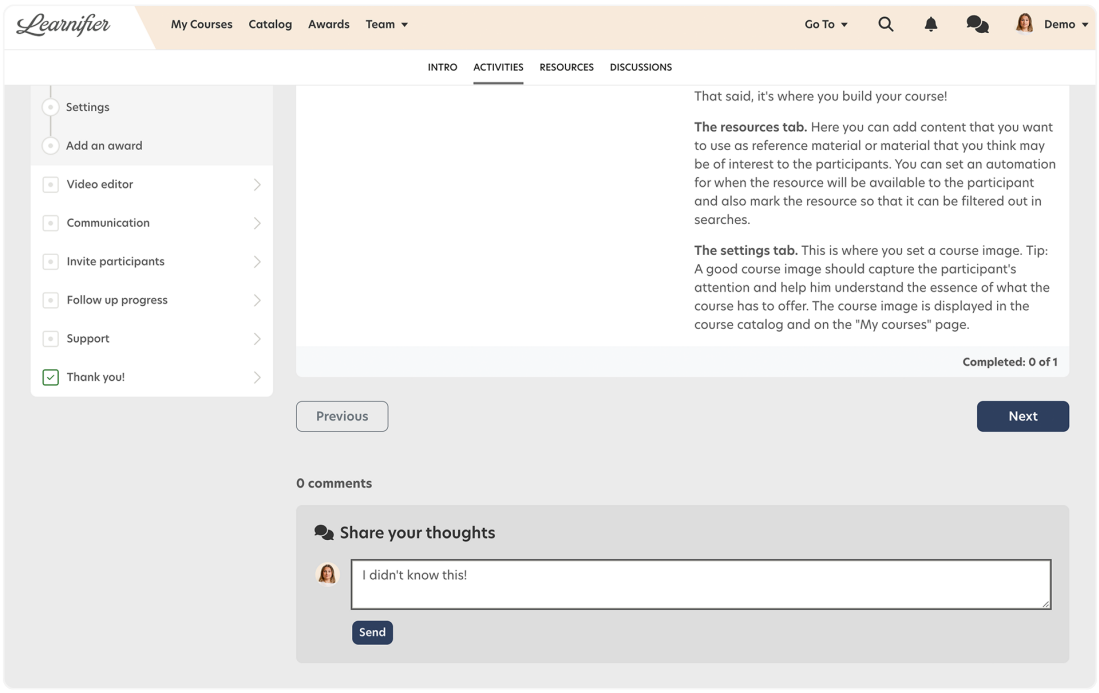

"Social Features" er en flott funksjon hvis du ønsker at deltakerne skal kunne samhandle med hverandre. Den finnes under fanen "Settings" i prosjektmenyen.

Hvis du har sosiale funksjoner aktivert (ON), vil følgende skje:

- En deltakerliste under fanen "Intro" i et kurs vil vises for alle deltakerne.

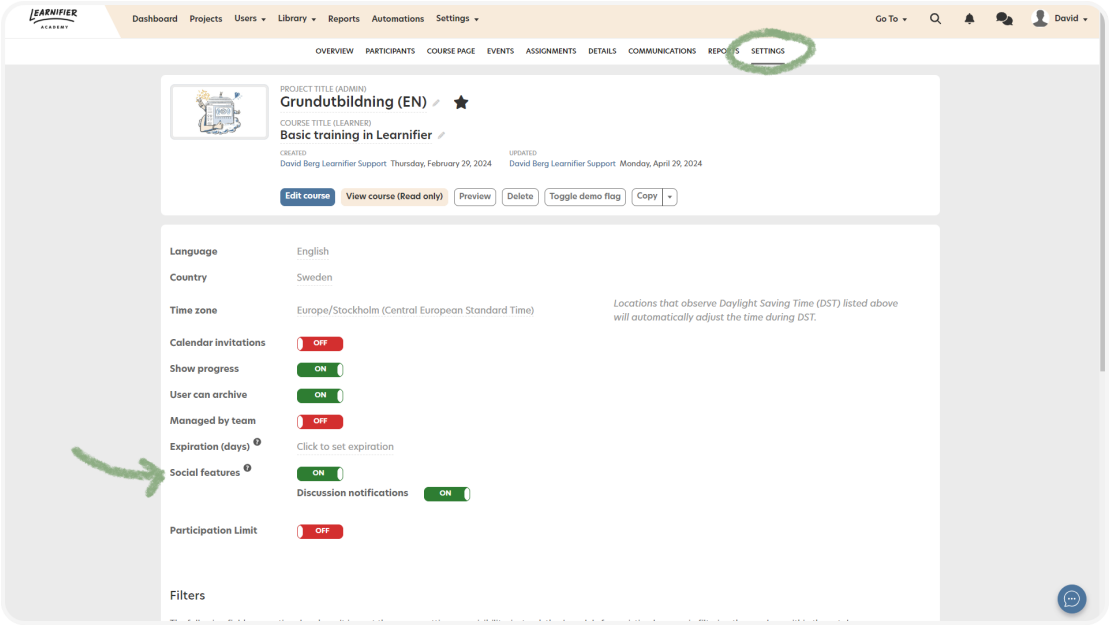

- Et diskusjonsforum med navnet "Share your thoughts" vil vises under alle aktivitetene i et kurs der deltakerne vil kunne skrive kommentarer.

Innstillinger for sosiale funksjoner

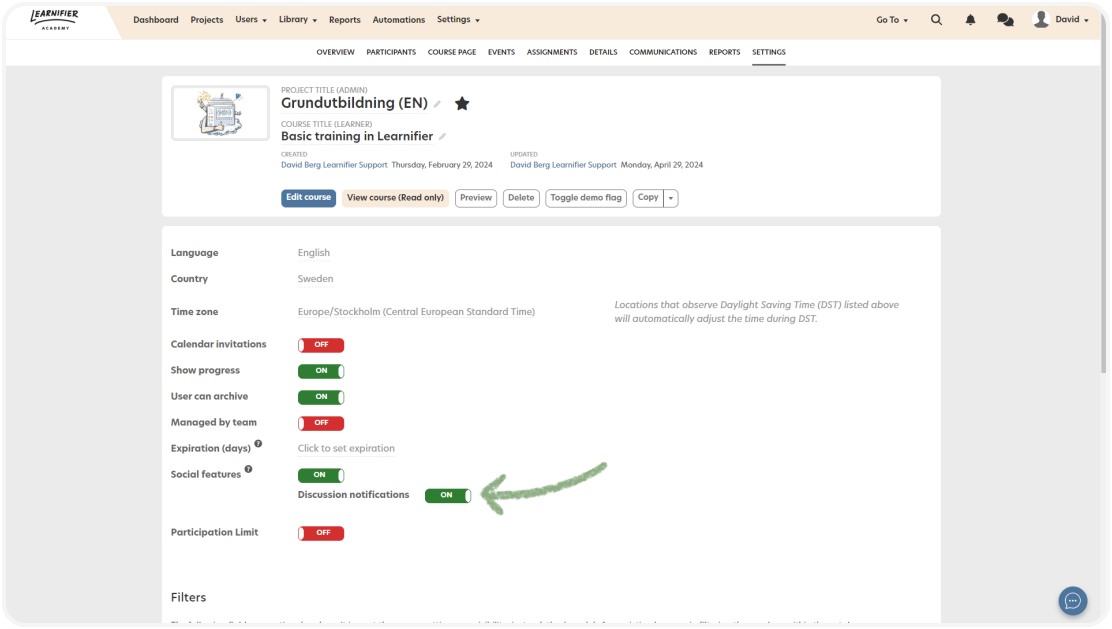

Du kan aktivere eller deaktivere sosiale funksjoner i prosjektinnstillingene.

Discussion notifications

Når sosiale funksjoner er aktivert, vil du også finne alternativet for å konfigurere varsler.

Ved å aktivere “Discussion notifications” vil deltakerne motta daglige e-postmeldinger som oppsummerer nye kommentarer.
