

Hvorfor kan jeg ikke laste opp en liste?

Ester Andersson - 2024-07-24 - Feilsøking

Hvis du prøver å laste opp en liste og får en rød feilmelding som sier "Oops! Sjekk feltene nedenfor og prøv igjen", det er en feil i Excel-filen din. Hvis du ser i punktlisten nedenfor, kan du se hvor i dokumentet feilen ligger. I eksemplet har jeg lagt til en ugyldig verdi i cellen F3. Bare endre verdien og prøv å laste opp listen på nytt. Hvis du ikke kan finne feilen i listen din, vennligst kontakt support@learnifier.com.

The screenshot shows the Learnifier Academy interface. At the top, there is a navigation bar with the Learnifier Academy logo and various menu items: Dashboard, Projects, Users, Library, Reports, Automations, Settings, Go To, search, notifications, and user profile (Ester). Below this is a sub-navigation bar with tabs: OVERVIEW, PARTICIPANTS, COURSE PAGE, EVENTS, ASSIGNMENTS, DETAILS, COMMUNICATIONS, REPORTS, SETTINGS. The main content area displays course information for "Welcome to the team" (Project Title) and "Welcome to the team - Preboarding" (Course Title). It includes creation and update dates and several action buttons: Edit course, View course (Read only), Preview, Delete, Toggle demo flag, and Copy. Below this, there are tabs for Individual, Group, and Upload. A prominent red error message box states: "Oops! Check the fields below and try again" with a sub-message: "Invalid profile value in cell F3: Partnership". Underneath, there is a section for "Upload participant list" with a link to "Download the template" and instructions. A file upload area is visible with the text "The uploaded file" and a button labeled "Upload participant list". At the bottom, there is a search bar for participants, a dropdown for "Select members in group", and a row of action buttons: Send Email..., Send Text..., Change Expiration, Activate, Add to group, Move, Re-enroll, and Remove. A chat icon is located in the bottom right corner.
