2024-03-26 - Ester Andersson - Product Highlight

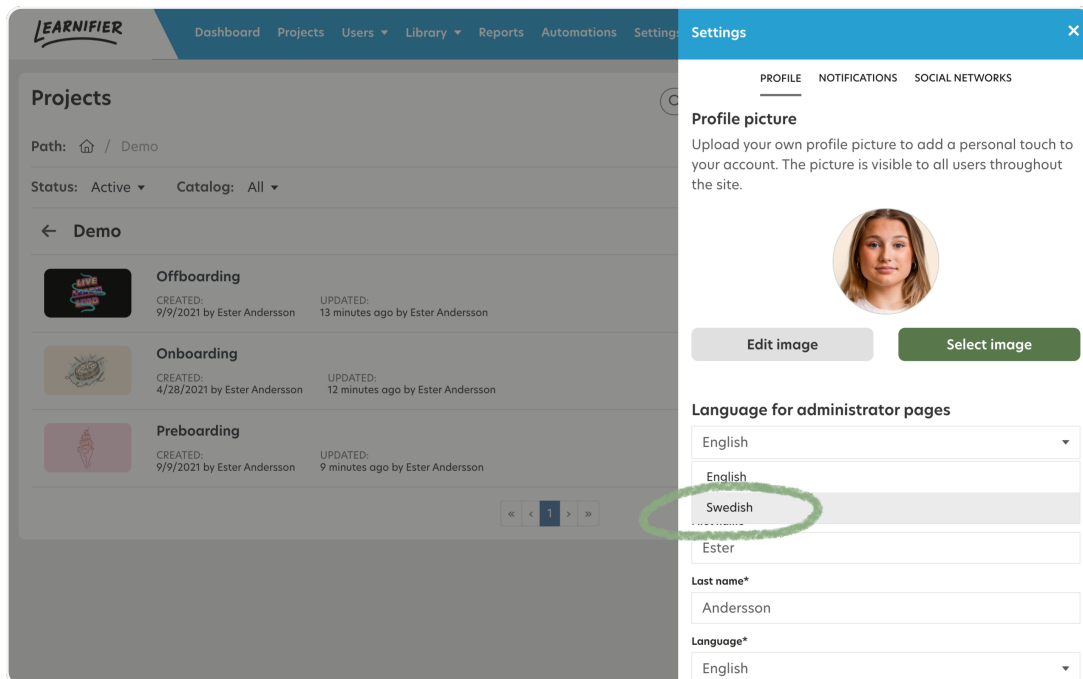

We are delighted to let you know that we have released Learnifier's administrator interface in Swedish!

We hope that this new feature will make it even easier for Swedish-speaking administrators to navigate and manage their Learnifier accounts effectively. By providing the interface in Swedish, we aim to enhance the user experience and remove any language barriers that may have previously existed.

We welcome any feedback or suggestions you may have regarding the Swedish interface. Our team is dedicated to listening to our users and incorporating their input into future updates.

Sneak peek of what the Swedish administrator interface looks like:

The screenshot displays the EARNIFIER administrator interface. At the top, a blue navigation bar contains the EARNIFIER logo and menu items: Översikt, Projekt, Användare, Bibliotek, Rapporter, Automationer, Inställningar, and Gå till. On the right side of the navigation bar, there are icons for search, notifications, chat, and a user profile for Ester.

The main content area is titled "Projekt" and includes a search bar with the text "Sök...". Below the search bar, there are two buttons: "Ny mapp" and "Nytt projekt". The breadcrumb path is "Sökväg: / Demo".

Filters for "Status: Aktiv" and "Katalog: Alla" are visible, along with a sorting option "Sortera efter: Namn (A-Ö)". A back arrow and the word "Demo" are also present.

The project list contains three entries:

- Offboarding**: SKAPAD: 2021-09-09 av Ester Andersson, UPPDATERAD: för 4 minuter sedan av Ester Andersson. 5 users.
- Onboarding**: SKAPAD: 2021-04-28 av Ester Andersson, UPPDATERAD: för 3 minuter sedan av Ester Andersson. 2 users.
- Preboarding**: SKAPAD: 2021-09-09 av Ester Andersson, UPPDATERAD: för några sekunder sedan av Ester Andersson. 1 user.

Each project entry includes a small icon, the project name, creation and update dates, the creator's name, and the number of users. Action icons for each entry include a list view, a refresh icon, a trash icon, and a star icon.

At the bottom of the list, there is a pagination control showing "1" in a blue box, with arrows for navigation.
