

Varför kan jag inte ladda upp ett schema?

Ester Andersson - 2024-07-24 - Felsökning

Om du försöker ladda upp en lista och får ett rött felmeddelande som säger "Hoppsan! Kontrollera fälten nedan och försök igen", det finns ett fel i din Excel-fil. Om du tittar i punktlistan nedan kan du se var i dokumentet felet ligger. I exemplet har jag lagt till ett ogiltigt värde i cellen F3. Ändra helt enkelt värdet och försök ladda upp listan igen. Om du inte kan upptäcka felet i din lista, kontakta support@learnifier.com.

The screenshot displays the Learnifier Academy interface. At the top, there is a navigation bar with the Learnifier Academy logo and various menu items: Dashboard, Projects, Users, Library, Reports, Automations, Settings, Go To, search, notifications, and user profile (Ester). Below this is a sub-navigation bar with tabs: OVERVIEW, PARTICIPANTS (selected), COURSE PAGE, EVENTS, ASSIGNMENTS, DETAILS, COMMUNICATIONS, REPORTS, and SETTINGS. The main content area shows course details for "Welcome to the team" (Project Title) and "Welcome to the team - Preboarding" (Course Title). It includes creation and update dates and several action buttons: Edit course, View course (Read only), Preview, Delete, Toggle demo flag, and Copy. Below the course details, there are tabs for Individual, Group, and Upload. A prominent red error message box states: "Oops! Check the fields below and try again" with a sub-message: "Invalid profile value in cell F3: Partnership". Underneath, there is a section for "Upload participant list" with a link to "Download the template" and instructions. A file upload area is visible with the text "The uploaded file" and a button labeled "Upload participant list". At the bottom, there is a search bar for participants and a dropdown for "Select members in group". A row of action buttons is at the very bottom: Send Email..., Send Text..., Change Expiration, Activate, Add to group, Move, Re-enroll, and Remove. A chat icon is in the bottom right corner.
