Lansering vecka 46: Nya deltagarupplevelsen!

2024-10-30 - Gabriella Eriksson - Product Highlight

Lansering vecka 46: Vår Beta-knapp för den nya deltagarupplevelsen i er plattform!

Den nya upplevelsen erbjuder ett helt uppdaterat gränssnitt, utformat för att vara ännu mer intuitivt och användarvänligt. Med beta-togglen kan era deltagare enkelt växla mellan det nuvarande och det nya gränssnittet, så att de kan utforska i sin egen takt, för en smidig och bekväm övergång.

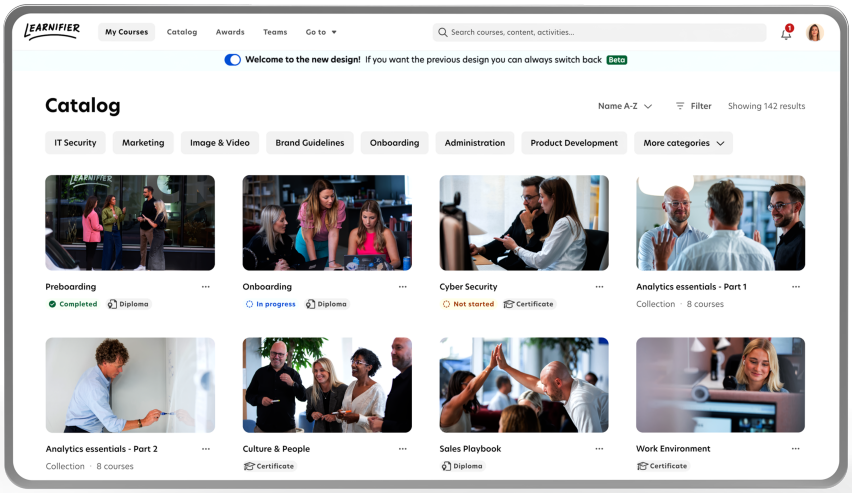

Den nya deltagarupplevelsen erbjuder:

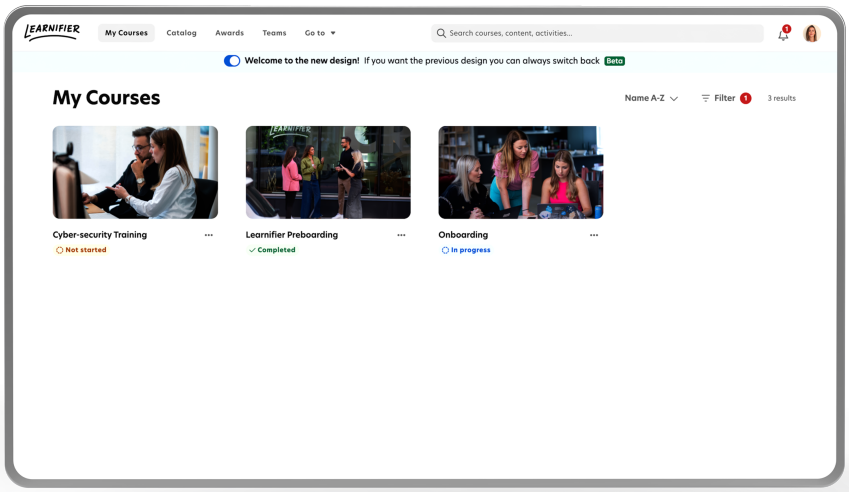

- **En helt ny design och känsla:** Upplev ett moderniserat och förbättrat gränssnitt som tar deltagarupplevelsen till nästa nivå.
- **Optimerad kursvy:** En renare och mer fokuserad vy som gör det enkelt för deltagarna att navigera och fördjupa sig i sitt lärande.
- **Förbättrad tillgänglighet:** Ett gränssnitt utformat för att vara mer inkluderande och användbart för alla i enlighet med Web Content Accessibility Guidelines (WCAG), så att ingen går miste om möjligheten att lära sig.

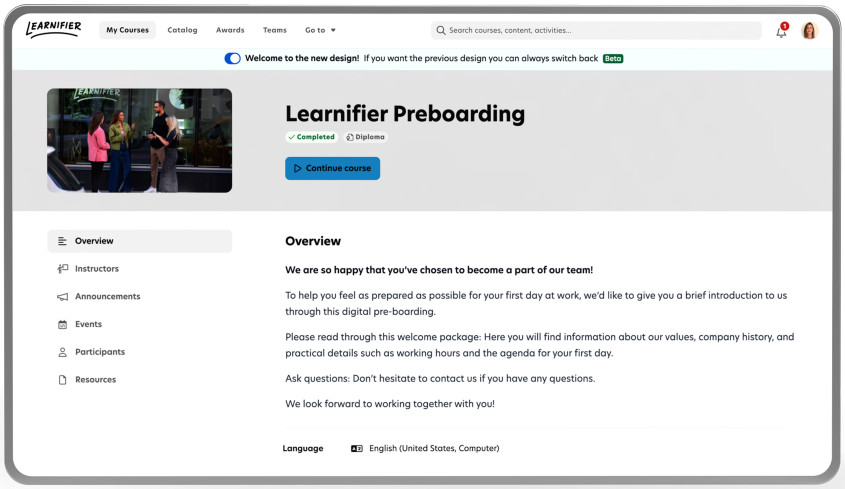

Praktisk information:

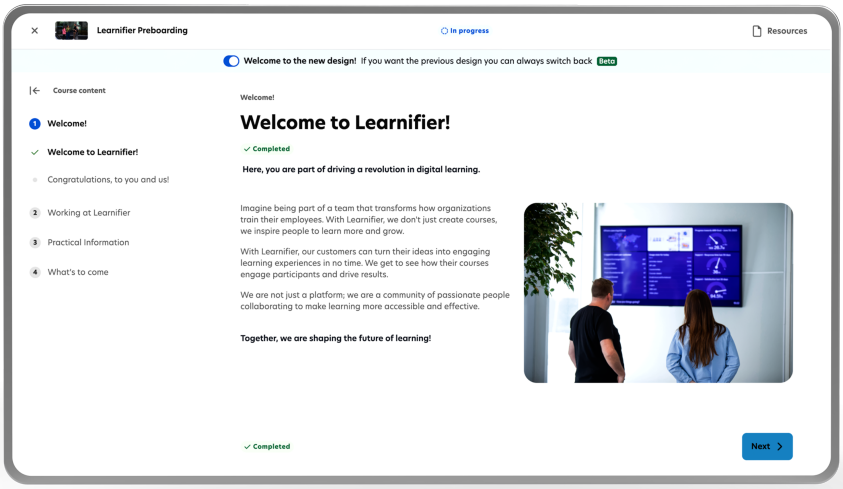

- Om ni har en **sandbox-miljö** kan vi aktivera beta-togglen där redan nu, vilket gör det möjligt att utforska den nya upplevelsen innan den går live i produktionsmiljön.
- **I början av 2025** planerar vi att inaktivera beta-knappen och göra det nya gränssnittet standard för alla användare.
- Om ni har anpassningar med **CSS eller HTML** kan dessa påverkas av det nya gränssnittet, så vänligen granska era justeringar.

Vill ni ha tillgång redan nu? Kontakta din kontaktperson eller support@learnifier.com så aktiverar vi beta-togglen i er miljö!
